If you wish to receive confirmation of receipt of your written comments, please include a self-addressed, stamped postcard with the following statement: "Comments on PHMSA-2016-0022." The Docket Clerk will date stamp the postcard prior to returning it to you via the U.S. mail. Please note that due to delays in the delivery of U.S. mail to Federal offices in

Washington, DC, we recommend that persons consider an alternative method (internet, fax, or professional delivery service) of submitting comments to the docket and ensuring their timely receipt at DOT.

FOR FURTHER INFORMATION CONTACT: Angela Dow by telephone at 202-366-1246, by fax at 202-366-4566, or by mail at DOT, PHMSA, 1200 New Jersey Avenue, SE, PHP-30, Washington, DC 20590-0001.

SUPPLEMENTARY INFORMATION: Section 1320.8(d), title 5, Code of Federal Regulations, requires PHMSA to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies an information collection request that PHMSA will be submitting to OMB for renewal and extension. The information collection expires November 30, 2016, and is identified under Control No. 2137-0605, titled: “Integrity Management in High Consequence Areas for Operators of Hazardous Liquid Pipelines.” The following information is provided for this information collection: (1) Title of the information collection; (2) OMB control number; (3) Type of request; (4) Abstract of the information collection activity; (5) Description of affected public; (6) Estimate of total annual reporting and recordkeeping burden; and (7) Frequency of collection. PHMSA will request a three-year term of approval for this information collection activity.

PHMSA requests comments on the following information collection:

Title: Integrity Management in High Consequence Areas for Operators of Hazardous Liquid Pipelines.

OMB Control Number: 2137–0605.

Current Expiration Date: 11/30/2016.

Abstract: Hazardous liquid operators with pipelines located in or that could affect high consequence areas (i.e., commercially navigable waterways, high population areas, other populated areas, and unusually sensitive areas as defined in 49 CFR 195.450) are subject to information collection requirements in the Integrity Management Program provisions of 49 CFR 195.452, including certain notifications and recordkeeping actions.

Affected Public: All pipeline operators of hazardous liquid pipelines located in or that could affect high consequence areas.

Annual Reporting and Recordkeeping Burden:

Annual Responses: 203.

Annual Burden Hours: 325,470.

Frequency of collection: On Occasion.

Comments are invited on:

(a) The need for the proposed collection of information for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques.

Issued in Washington, DC on March 3, 2016, under authority delegated in 49 CFR 1.97.

John A. Gale,

Director, Standards and Rulemaking.
